“April Showers Bring May Flowers”

The Grady PTA is pleased to announce that we are bringing back our popular garden project. We placed beautiful, multi-colored snowflakes in the grounds at the front of the school in December. Now, to bring some colorful happiness to the end of the school year, we will be placing multi-colored flowers in the grounds during the month of May. Each flower is \$5, and will include either the first name of your child or your family's last name.

Flowers must be purchased in advance. Order forms can be found in your child's folder or in the front office. The order deadline for the flowers is Friday, April 29th. All proceeds will be used for school enrichment programs, new classroom technology, teacher mini-grants, and student supplies and enrichment. Please show your school spirit and Tiger Pride by purchasing a flower today!
