

'Grady Gardens'

\$5 *Let It Snow* **\$5**

The Grady PTA is pleased to announce a new program called 'Grady Gardens'. The Grady Gardens program is designed to show our Tiger Pride as well as celebrate seasonal holidays. Students and family will have the opportunity to purchase a seasonal placard for \$5 each, which will include their name. The placards will then be placed in the front school gardens during the particular holiday season. A sketch of how the Grady Gardens will look is shown on the back of this form.

The first celebration will be for winter with snowflake placards. Each snowflake is \$5, which include the child's or family's name. If you would like to purchase a snowflake in advance, please complete the form below and return it with payment by November 13th. Purchasing your snowflake in advance will ensure your snowflake is on display for the opening of the Grady Gardens program on the morning of November 30th.

Student's Name: _____

Grade/Teacher: _____

Additional Student's Name: _____

Grade/Teacher: _____
